## Fun Day

**Sunday 15<sup>th</sup> August 2010**

**Oak Bank, Gamblesby**

Organiser – Dougie Parkinson

- to give drivers a chance to run their cars before the start of the season and
- to have a bit of fun.

There will be sections laid out on the flat and some modest hills for the novices with some more challenging sections for the regular drivers.

There will also be the chance to lay out some sections with advice from experienced Clerks of the Course.
